"We Caa Done"

Woi oii (yeah)

Trouble

Trouble foot, feet

You know e go

876 God

(OVO, Unruly) 6 God

OVO, Unruly

OVO, Unruly

Yeah, yeah, ayy

Try fi rush me off, try fi brush me off, I see

Badman like Skull and me from Unruly, girl, why pree? (Weh)

Why pree? Why pree? Why pree?

Disrespect we and shots a go beat (yeah)

They tryna say we done, pussy, we cyaan' done (no)

We cyaan' done, we cannot done, we cannot done

We cyaan' done (weh), we cannot done, we cannot done (no)

We cyaan' done, we cannot done, we cannot done (ooh)

We cyaan' done (weh), we cannot done

Woi, me cyaan' done bwoy will dead, me don't need my gun

Choppa loud up di place like one new stadium

Thick gyal a give me head inna the big Phantom

Dem know me a di god like one a Jesus son

Yeah, short but me heavy (whoa)

Chain 'round me neck can buy a couple Chevy, hmm

Jiggle up yuh body fi me, baby

Know seh you love when me cum in a yuh belly, yeah

Badman she like, champagne and candlelight

Gi' you somethin' make you ride it like a motorbike (yes)

Me a di original, me a di prototype

Dem think we done, we just a kick it inna overdrive

Money cyaan' done (no)

Anywhere we pull up is a pandemonium (yes)

Millions a discuss inna di forum

Diss di 6 God and haffi run up and down

Trouble foot, feet

Try fi rush me off (weh), try fi brush me off, I see (no, no, no)

Badman like Skull and me from Unruly, girl, why pree?

Why pree? Why pree? Why pree?

Disrespect we and shots a go beat

They tryna say we done, pussy, we cyaan' done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, no

A everywhere di gyal dem love we

Inna every state, every country

Cute pretty gyal wan' make a movie

She a tell me she bad and she unruly

Man just a start, get richer every day and just a laugh

Legendary, full Burberry

Have a pretty Askelli, anything kick off (yeah)

'Member man a god inna di earth, so me fuck some Earth angel

Mi great granny from Heaven said fi gwan raise hell (yes)

Man a fight to the end from dem ring that bell

And as you make it inna life dem say a soul you a sell

Amount a pain me feel, some a mi flow can tell

Wuleap a friend switch up, me still wish dem well

Wuleap a record break, wuleap a show get shell

From you say we name a great it spell (weh, trouble)

Try fi rush me off, try fi brush me off, I see

Badman like Skull and me from Unruly, girl, why pree?

Why pree? Why pree? Why pree?

Disrespect we and shots a go beat

They tryna say we done, pussy, we cyaan' done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, we cannot done

We cyaan' done, we cannot done, no
