"American Boy"

Take me on a trip, I'd like to go some day

Take me to New York, I'd love to see LA

I really want to come kick it with you

You'll be my American boy

Listen, he said "Hey Sister

It's really really nice to meet you"

I just met this 5 foot 7 guy who's just my type

I like the way he's speaking his confidence is peaking

Don't like his baggy jeans but I'm a like what's underneath them

And no I ain't been to MIA

I heard that Cali never rains and New York heart awaits

First let's see the west end

I'll show you to my brethren

I'm liking this American boy, American boy

Take me on a trip, I'd like to go some day

Take me to New York, I'd love to see LA

I really want to come kick it with you

You'll be my American boy, American boy

La la la, la la, la la

La la la, la la, la la

La la la, la la, la la

Oh, you'll be my American boy

Can we get away this weekend?

Take me to Broadway

Let's go shopping baby then we'll go to a café

Let's go on the subway

Take me to your hood

I never been to Brooklyn and I'd like to see what's good

Dress in all your fancy clothes

Sneaker's looking Fresh to death, I'm loving those Shell Toes

Walking that walk

Talk that slick talk

I'm liking this American boy, American boy

Take me on a trip, I'd like to go some day

Take me to New York, I'd love to see LA

I really want to come kick it with you

You'll be my American boy, American boy

La la la, la la, la la

La la la, la la, la la

La la la, la la, la la

You'll be my American Boy, American boy

Could you be my love, my love?

(Could you be my?)

Could you be my love, my love?

(Could you be my?)

Could you be my love, my love?

You'll be my American Boy? American boy

Take me on a trip, I'd like to go some day

Take me to New York, I'd love to see LA

I really want to come kick it with you

Could you be my, be my American boy

Take me on a trip, I'd like to go someday

Take me to Chicago, San Francisco day

I really want to come kick it with you

Brother let me hear you sing

This is how heat we go

La la la, la la, la la

La la la, la la, la la

La la la, la la, la la

You'll be my American boy, American boy
