"Anyone For You"

Tiger Lily moved to the city

She just turned 21

And then I said, "Here's my number, hit me up

If you're needing anyone"

And I could be anyone, anyone, anyone, anyone, anyone for you

Anyone, anyone, anyone, anyone, anyone

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

Be your light

Be your light, yeah

Well, it came along but it wasn't enough

So she called me up just to call it off

I can't afford to make that mistake this time

And if you're flying over the Serengeti

Tiger lily, don't forget me

The way I am or the way I was, mmm

And I could be anyone, anyone, anyone, anyone, anyone for you

Anyone, anyone, anyone, anyone, anyone

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

Be your light

Be your light (light, light, light)

Anyone for you

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

I could love you, I could be

Anything you want of me

And in the darkness of the night

Baby, let me be your light

Be your light (woo)

Be your light (woo)

Oh

I can be your light
