"Boys Don't Cry"

Sometimes I call you when I can't sleep alone
Now you keep asking me what that means, oh no
In your feelings, I can feel it, you're in your feelings
You won't admit it, but that's why I push you away from me

'Cause I know, I know

It drives you crazy

Try to tame me

But nobody's taking control all over me

Ooh, baby, baby, you be talking tough

But your boys can't get enough

When the girls don't need your love

Who says boys don't cry?

Ooh, baby, baby, you just outta touch

'Cause you boys can't get enough
When the girls don't need your love
Who says boys don't cry?

Sometimes you call me when you're too drunk, oh God
Then you start telling me I'm the one, I'm not
In your feelings I can feel it you're in your feelings
You won't admit it, but I thought that we were just having fun

'Cause I know, I know
It drives you crazy
Try to tame me
But nobody's taking control all over me
Ooh, baby, baby, you've been talking tough
But your boys can't get enough
When the girls don't need your love
Who says boys don't cry?

Ooh, baby, baby, you just out of touch
'Cause you boys can't get enough
When the girls don't need your love
Who says boys don't cry?

Who says they don't cry?

Who says they don't cry?

Who says they don't cry?

Who says boys don't cry?
