"Chokehold"

When we were made

It was no accident

We were tangled up like branches in a flood

I come as a blade

A sacred guardian

So you keep me sharp and test my worth in blood

You've got me in a chokehold

You've got me in a chokehold

You've got me in a...

Beneath the stormy seas

Above the mountain peaks

It's all the same to me

It makes no difference

I've seen my days unfold

Done the impossible

I'll turn my walls to gold to bring you home again

So show me that which I cannot see

Even if it hurts me

Even if I can't sleep

Oh, and though we act out of our holy duty to be constantly awake

You've got me in a chokehold

You've got me in a chokehold

You've got me in a chokehold

You've got me in a chokehold

Even if it hurts me

Even if I can't sleep

Show me the way
