"Fade into You"

I want to hold the hand inside you

I want to take the breath that's true

I look to you, and I see nothing

I look to you to see the truth

You live your life, you go in shadows

You'll come apart, and you'll go black

Some kind of night into your darkness

Colors your eyes with what's not there

Fade into you

Strange you never knew

Fade into you

I think it's strange you never knew

A stranger's light comes on slowly

A stranger's heart without a home
You put your hands into your head
And then smiles cover your heart

Fade into you
Strange you never knew
Fade into you
I think it's strange you never knew

Fade into you
Strange you never knew
Fade into you
I think it's strange you never knew

I think it's strange you never knew
