"Fake Body (Squishy Thicc)"

Ah, Amanda Nicole

Blozart Tha Architekt

'Cause I'm squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

I got that fake body (fake body)

I'm a TikTok hottie but they always try to ban me

Thick fake body type of money that you can see

Even when I'm dressed, they hate us enough

'Cause I got that big ol' breasts and my pussy fat 'n' juicy

'Cause I'm squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

I got that fake body (fake body)

Violations (?) police

(?)

They call me plastic when I'm posting

Watch me like the bullies

I'll be running the abuse, watch me twerk and groove

When he hit the shit it moves and it came from drive-throughs

Popeyes, Macky Dees say it sent me disagree

BBLs, yeah I got three, needs up on my surgeries

'Cause I'm squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

I got that fake body (fake body)

Now naturally is bless, got them haters fuck impressed

Playboy bunny, used to rock that flat chest

Back when I was broke, I used to gag and choke

Till I got a lip lip, made it easier sucking dick

Now I'm squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

I got that fake body (fake body)

you take the bait

While this motherfucking Gen Zs love to hate

Not so thick and squishy with my fucking ass is fake

Make sure your cash is straight or I'll let you suffocate

Do you even really need air?

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

Squishy thick, squishy thick, fake body

I got that fake body (fake body)
