"Hold My Hand"

Tell me you need me

Hold my hand, everything will be okay

I heard from the heavens that clouds have been grey

Pull me close, wrap me in your aching arms

I see that you're hurtin', why'd you take so long

To tell me you need me? I see that you're bleeding

You don't need to show me again

But if you decide to, I'll ride in this life with you

I won't let go 'til the end

So cry tonight

But don't you let go of my hand

You can cry every last tear

I won't leave 'til I understand

Promise me, just hold my hand

Raise your head, look into my wishful eyes

That fear that's inside you will lift, give it time

I can see everything you're blind to now
Your prayers will be answered, let God whisper how
To tell me you need me, I see that you're bleeding
You don't need to show me again
But if you decide to, I'll ride in this life with you
I won't let go 'til the end
So cry tonight
But don't you let go of my hand
You can cry every last tear
I won't leave 'til I understand
Promise you'll just hold my hand
Hold my hand, hold my
Hold my hand, my hand
I'll be right here, hold my hand
Hold my hand, hold my
Hold my hand, my hand
I'll be right here, hold my hand
I know you're scared and your pain is imperfect
But don't you give up on yourself
I've heard a story, a girl, she once told me
That I would be happy again
Hold my hand
Hold my hand

Hold my hand, hold my hand

Hold my hand, hold my hand

Hold my hand

I heard from the heavens
