## "If I Stop Now"

Ayy, ayy, yeah

(FOREVEROLLING)

I hold my gun more than I hold my son (uh-uh)

No way in hell you catch me without one (uh-uh)

I've been in war more than I've been in love (uh-uh)

We in them cars all night 'til mornin' come (uh-uh)

Hundred on me now, somebody call my bluff (uh-uh)

If I fall down, then who gon' pick me up? (Uh-uh-uh-uh-uh)

If I lose now, I might as well've never won (uh-uh-uh-uh)

If I stop now, I might not catch back up (uh-uh-uh-uh)

It ain't no catchin' us

I'm in a fast car (fast), it's a Demon (it's a Demon)

I've seen both sides of the fields, neither was green

Sittin' back, gettin' fire head from a thot, it make me lean

She was a dog bitch (was a dog), I tried to wean her (I tried to wean her)

I turned my dog fit, he jumped the needle

I'm servin' all mix (servin' all), like it's a clean one (like it's a clean one)

I had to cut you off (cut you off), you made me weaker (you made me weak)

But every player in the field gon' get they cleats stuck

Like every nigga that get killed don't gon' meet Jesus

We better not stop, you see them cops, these blicks illegal

I'm double down when I'm in town, stick Desert Eagle (double down)

My baby mama say I'm selfish and a cheater, I guess I

I hold my gun more than I hold my son (uh-uh)

No way in hell you catch me without one (uh-uh)

I've been in war more than I've been in love (uh-uh)

We in them cars all night 'til mornin' come (uh-uh)

Hundred on me now, somebody call my bluff (uh-uh)

If I fall down, then who gon' pick me up? (Uh-uh-uh-uh)

If I lose now, I might as well've never won (uh-uh-uh-uh)

If I stop now, I might not catch back up (uh-uh-uh-uh)

It ain't no catchin' us

Yeah, nah, ain't even suffer from my sins when you get older

No motions, shit I did, I stood on ten toes, never folded

It's a fake smile on me, joker, sick of hoes, G6, I'm rollin'  
Kill final clothes, king cobra, I've been doin' this shit for the longest  
I thought it was makin' me stronger, I got 'em, just make me an offer  
Every cross get thrown, I caught it, it really wasn't worth what it cost me

The only way I see shit stoppin' is if Ozzy get out of his coffin  
If this water stop from this faucet, if a skeleton come from my closet  
Yeah, if I could just talk to my mama, if my trust fall out of this chopper  
Gave shrooms to the screws who knock us, how the news still say I'm a  
monster?

It's a lose-lose playin' with Pablo, make a nigga whole hood play possum

No boppin', not much here for talkin'

When we walk, it's get out, hawk 'em, white line, chalk 'em

I hold my gun more than I hold my son (uh-uh)

No way in hell you catch me without one (uh-uh)

I've been in war more than I've been in love (uh-uh)

We in them cars all night 'til mornin' come (uh-uh)

Hundred on me now, somebody call my bluff (uh-uh)

If I fall down, then who gon' pick me up? (Uh-uh-uh-uh)

If I lose now, I might as well've never won (uh-uh-uh-uh)

If I stop now, I might not catch back up (uh-uh-uh-uh)

It ain't no catchin' us
