## "Love Again"

Can we go back to how it was  
Before my pride got in-between us  
Go ahead and hit me where it hurts  
Because at least then I'll feel something  
Screamin' in my face  
Kicked me out your place  
I got nowhere to go  
Can we find love again?  
Is this time the end?  
Tell me, how many more tears will drop?  
'Til you hit me with: "Can we talk?"  
And try love again  
Can we find love again?  
Is this time the end?  
Tell me, how many more tears will drop?  
'Til you hit me with: "Can we talk?"

And try love again  
I crashed my car into a wall  
I tried to text, I shoulda called  
Seein' blue and red, it won't be long (Ooh, uh)  
We went to war, it didn't end  
I bit my tongue, you hit my chin  
Worst enemy is my best friend (Ooh)  
Screamin' in my face  
Kicked me out your place  
I got nowhere to go  
Can we find love again?  
Is this time the end?  
Tell me, how many more tears will drop?  
'Til you hit me with: "Can we talk?"  
And try love again  
Can we find love again?  
Is this time the end?  
Tell me, how many more tears will drop?  
'Til you hit me with: "Can we talk?"  
And try love again
