## "Master Of Puppets"

End of passion play, crumbling away

I'm your source of self-destruction

Veins that pump with fear, sucking darkest clear

Leading on your death's construction

Taste me you will see

More is all you need

Dedicated to

How I'm killing you

Come crawling faster

Obey your master

Your life burns faster

Obey your master, master

Master of puppets, I'm pulling your strings

Twisting your mind and smashing your dreams

Blinded by me, you can't see a thing

Just call my name, 'cause I'll hear you scream

Master, master

Just call my name, 'cause I'll hear you scream

Master, master

Needlework the way, never you betray

Life of death becoming clearer

Pain monopoly, ritual misery

Chop your breakfast on a mirror

Taste me, you will see

More is all you need

Dedicated to

How I'm killing you

Come crawling faster

Obey your master

Your life burns faster

Obey your master, master

Master of puppets, I'm pulling your strings

Twisting your mind and smashing your dreams

Blinded by me, you can't see a thing

Just call my name, 'cause I'll hear you scream

Master, master

Just call my name, 'cause I'll hear you scream

Master, master (master)

(Master, master)

Where's the dreams that I've been after?

(Master, master)

You promised only lies

(Laughter, laughter)

All I hear or see is laughter

(Laughter, laughter)

Laughing at my cries

Fix me!

Hell is worth all that, natural habitat

Just a rhyme without a reason

Never-ending maze, drift on numbered days

Now your life is out of season

I will occupy  
I will help you die  
I will run through you  
Now I rule you too

Come crawling faster  
Obey your master  
Your life burns faster  
Obey your master, master

Master of puppets, I'm pulling your strings  
Twisting your mind and smashing your dreams  
Blinded by me, you can't see a thing  
Just call my name, 'cause I'll hear you scream  
Master, master

Just call my name, 'cause I'll hear you scream  
Master, master
