## "Moonlight Sunrise"

Oh, yeah

I guarantee I gotcha

I been craving for your love

Can't see nobody but us

So I, so I, so I

See you from across the room

Make my way over to you

I'm trippin' over butterflies

Oh yeah, baby, I don't really mean to rush

But I'ma really need your touch

If I'ma make it through the night

I got the moonlight

Tequila sunrise

Come take a shot on me, I gotcha

I don't know how to say this  
I hope this song's on your playlist  
This feeling's so hard to explain  
I don't even know how to talk right now  
It's I-need-you o'clock right now  
I want you to hear me say

Moonlight sunrise  
Baby, come be my starlight  
Moonlight sunrise  
Oh baby, just to make you stay  
Moonlight sunrise  
Baby, let's do it all night  
Moonlight sunrise  
I guarantee I gotcha

Loving undefeated, on your knees pleading  
Baby, you can hit up my line when you need it  
Said that you tried, baby, you succeeded  
Got a craving, baby, can you feed it?  
Took a trip under moonlight  
Follow me to the sunrise

Every day, every night  
Ay, come with me, don't think twice

Oh yeah, baby, I don't really mean to rush

But I'ma really need your touch  
If I'ma make it through the night

I got the moonlight

Tequila sunrise

Come take a shot on me, I gotcha

I don't know how to say this

I hope this song's on your playlist

This feeling's so hard to explain

I don't even know how to talk right now

It's I-need-you o'clock right now

I want you to hear me say

Moonlight sunrise

Baby, come be my starlight

Moonlight sunrise

Oh baby, just to make you stay

Moonlight sunrise

Baby, let's do it all night

Moonlight sunrise

I guarantee I gotcha

Cards out on the table, what you say?

I need you, you need me, you're mine

I'm your moonlight

You're my sunrise, babe

I guarantee I gotcha

Moonlight sunrise

Baby, come be my starlight

Moonlight sunrise

Oh baby, just to make you stay

Moonlight sunrise

Baby, let's do it all night

Moonlight sunrise

I guarantee I gotcha

Moonlight sunrise

Baby, come be my starlight

Moonlight sunrise

I guarantee I gotcha

Moonlight sunrise

Baby, let's do it all night

Moonlight sunrise

I guarantee I gotcha

Moonlight sunrise
