## "My Stupid Heart"

My stupid heart

Don't know, I've tried to let you go

So many times before

Then wound up at your door

My stupid-

Can't believe that I haven't figured out by now

Every time I call you up, all you do is let me down

Should've known there was nothing about us I could change

Every time we try to be friends it always ends the same

But when I try to remember

All the pain that we've been through

Something in me says "whatever"

And it brings me back to you

My stupid heart  
Don't know, I've tried to let you go  
So many times before  
Then wound up at your door  
My stupid heart  
Too late, already on my way  
If we go down in flames  
Again then you can blame my stupid heart

(Oh shit!)

(Okay!)

You can blame my stupid heart

(Oh shit!)

(Okay!)

You can blame my stupid-

Every now and then I get inside my head  
Try to leave your text unread, but I wind up period instead  
I should've bit my tongue while we were still ahead  
Yeah, I always had to be right, 'till we had nothing left

But when I try to remember

All the pain that we've been through  
Something in me says "whatever"  
And it brings me back to you

My stupid heart  
Don't know, I've tried to let you go  
So many times before  
Then wound up at your door  
My stupid heart  
Too late, already on my way  
If we go down in flames  
Again then you can blame my stupid heart

(Oh shit!)

(Okay!)

You can blame my stupid heart  
I've tried to let you go (Oh shit!)  
So many times before (Okay)  
You can blame my stupid heart  
Too late, already on my way  
If we go down in flames  
Again then you can blame my stupid heart

Too late, already on my way  
If we go down in flames  
Again then you can blame my stupid heart
