Not OK - Robert Grace Lyrics

"Not OK"

(They say I'm not ok)

(I'm not ok, ok, I got it)

Is it getting harder to breathe

When I'm mixing drinks with my anxiety?

(I'm oblivious)

People just talk over me

Caught up in a lifestyle

Everybody's (so serious)

Keep doing the same

I like getting high, yeah, and going down in flames, oh

Don't gimme no cape

'Cause I don't wanna fly

I don't wanna fly

Sorry, can you please repeat the question?

I'm broke, and I never pay attention

Sometimes, I wanna run

But no matter where I run

I just run into everyone and

They say I'm not ok

I'm not ok

Ok, I got it

Same story, different day

But every day

I say, "I'm sorry"

Is it ever gonna go my way, ayy?

Ever gonna go my way, ah

They say I'm not ok

But it's ok

That's how I want it

Monsters following me

Hiding in the walls of my mind

I can't sleep (wanna be alone)

I'm my own worst enemy

Keep 'em all close 'cause I need the company

(Yeah, even though)

I keep saying, "I'ma change"

Then I get high, and I do it all again, oh

And we're the only ones to blame

Yeah, me, myself and I

Yeah, me, myself and I

They say I'm not ok

I'm not ok

Ok, I got it

Same story, different day

But every day

I say, "I'm sorry"

Is it ever gonna go my way? Ayy

Ever gonna go my way, ah

They say I'm not ok

But it's ok

That's how I want it

Sorry, can you please repeat the question?

I'm broke, and I never pay attention

Sometimes, I wanna run

But no matter where I run

I just run into everyone and

They say I'm not ok

I'm not ok

Ok, I got it

Same story, different day

But every day

I say, "I'm sorry"

They say I'm not ok

I'm not ok

Ok, I got it

Same story, different day

But every day

I say, "I'm sorry"

Is it ever gonna go my way, ayy?

Ever gonna go my way, ah

They say I'm not ok

But it's ok

That's how I want it

I'm not ok

They say I'm not ok

But it's ok (that's how I want it)
