"PS5"

Whoa-oa, whoa-oa

Eyes up, you've been gone for a fortnight

My love, are you stuck in a fake life?

Can't win, if the prize is to waste your time

Now it's wasting mine

And I know that we're close, but I'm lonely

Make me your only, won't win a trophy

But can it kiss you like this when you hold me?

Missing it low-key, I'll say it slowly

It's me or the PS5

Tell me how you wanna spend your night?

Three's feeling way too tight

So if it's not me, then I'm probably gonna run it over

Me or the PS5

Tell me which of us is more your type?

Seems like you can't decide

So if it's not me, then I'm probably gonna run it over

Oh-oh (yeah)

My love, know I'm in for the long ride (in for the long ride)

I'm not playing games of the wrong kind (oh-oh)

Could be keeping secrets and telling lies

But I'm just online, and I can promise you

I'll never play ya, I'll find a way to

Show you I'm grateful, so I'm begging you

Two minutes only, you'll get a trophy

I'm staying faithful

It's me and the PS5

Tell me why you making me decide? (Yeah)

Please, don't you see I'm live? (I'm live)

So if you don't leave, I can find a way to win you over

Me and the PS5

Least you know where I'ma be at night (yeah)

Score's never been this high (so high)

So if you don't leave, I can find a way to win you over

Me or the PS5

Me or the PS5

Me or the PS5
