"Poison"

Your cruel device

Your blood like ice

One look could kill

My pain, your thrill

I wanna love you, but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna kiss you, but I want it too much (too much)

I wanna taste you, but your lips are venomous poison
You're poison running
through my veins

You're poison

I don't wanna break these chains

Your mouth, so hot

Your web, I'm caught

Your skin, so wet

Black lace on sweat

I hear you calling and it's needles and pins (and pins)

I wanna hurt you just to hear you screaming my name

Don't wanna touch you, but you're under my skin (deep in)

I wanna kiss you, but your lips are venomous poison

You're poison running through my veins

You're poison

I don't wanna break these chains

Poison

One look (one look) could kill (could kill)

My pain, your thrill

I want to love you, but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna kiss you, but I want it too much (too much)

I wanna taste you, but your lips are venomous poison

You're poison running through my veins

You're poison

I don't wanna break these chains

Poison (poison)

I want to love you, but I better not touch (don't touch)

I wanna hold you, but my senses tell me to stop

I wanna kiss you, but I want it too much (too much)

I wanna taste you, but your lips are venomous poison

Yeah!

Well, I don't want to break these chains

Poison (poison) no

Running deep inside my veins

Burning deep (poison) inside my brain

Poison (poison)

I don't want (poison) to break these chains

Poison (poison)
