"TRUSTFALL"

Trust fall, baby

It's a trust fall, baby

Picture a place where it all doesn't hurt

Where everything's safe and it doesn't get worse, oh my

We see through bloodshot eyes

Picture a place, somewhere else far away

Where you know what they mean and they mean what they say to us

And would that be enough?

Are we running out of time?

Are we hiding from the light?

Are we just too scared to fight for what we want tonight?

Close your eyes and leave it all behind

Go where love is on our side

It's a trust fall, baby

It's a trust fall, baby

You and I and everyone alive

We can run into the fire

It's a trust fall, baby

Yeah, it's a trust fall, baby

Jump with me, come with me, burn like the sun

We'll talk, then we'll cry, then we'll laugh 'til we're done, oh my

It's like we're out our minds

We've been running for our lives

We've been hiding from the light

We've been far too scared to fight for what we want tonight

Close your eyes and leave it all behind

Go where love is on our side

It's a trust fall, baby

It's a trust fall, baby

You and I and everyone alive

We can run into the fire

It's a trust fall, baby

Yeah, it's a trust fall, baby

What if we just fall?

I'm not going without you

And you're not going alone

I fell so far 'til I found you

But you know what you know when you know

So I'm not going without you

And you're not going alone

'Cause you know when you know

Close your eyes and leave it all behind

Go where love is on our side

It's a trust fall, baby

It's a trust fall, baby

What if we just fall?

What if we just fall?

What if we just fall?

What if we just fall?

What if we just fall?

What if we just fall?

What if we just—
