"This Is Why"

If you have an opinion
Maybe you should shove it
Or maybe you could scream it
Might be best to keep it

To yourself (to yourself)
To yourself (to yourself)

This is why I don't leave the house

You say the coast is clear
But you won't catch me out

Oh, why?

This is why

Better have conviction
'Cause we want crimes of passion
Survival of the fittest

You're either with us, or you can keep it

To yourself (to yourself)

To yourself (to yourself)

To yourself, yourself, yourself

To yourself (to yourself)

This is why I don't leave the house

You say the coast is clear

But you won't catch me out

Oh, why?

This is why

This is why I don't leave the house

You say the coast is clear

But you won't catch me out

Oh, why?

This is why

One step beyond your door

It might as well have been a free fall

One step beyond your door

Falling down an endless hall

One step beyond your door
Might as well have been a free fall

One step beyond your door
And I'm floating like a cannonball

This is why I don't leave the house

You say the coast is clear
But you won't catch me out

Oh, why?

This is why

This is why I don't leave the house

You say the coast is clear
But, oh, no, you won't catch me out

Oh, why?

This is why
