## "Welcome The Jungle"

Welcome to the jungle

We got fun 'n' games

We got everything you want, honey

We know all the names

We are the people that can find whatever you need

If you got the money, honey

We got your disease

In the jungle

Welcome, welcome to the jungle

Watch it bring you to your knees

I wanna watch you bleed

Welcome to the jungle

Take it everyday

If you want it you're gonna bleed

But it's the price you pay

You're a very sexy guy

That's a very hard to please

You can taste the bright lights

But you won't get them for free

In the jungle

Welcome, welcome to the jungle

Feel my, my, my, my, my you know what I mean

I wanna hear you scream

When you're high

You never ever wanna quit or come down

So down

So down

So down

Welcome to the jungle

Now listen

Welcome to the jungle

It gets worse here everyday

Learn to live like an animal

In the jungle where we play  
If you got a hunger for what you see  
You'll take it eventually  
You can have anything you want  
But you better not, you better not  
Better not take it from me

Welcome, welcome to the jungle  
Welcome to the jungle  
Feel my, my, my, my you know what I mean  
Come, come, come, come, come  
Welcome to the jungle  
Where we live and play  
You're gonna die  
You're in the jungle baby
