## "Yummy"

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy  
Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh-ooh-ooh-ooh-ooh

Those hungry eyes  
Tracing my body lines  
All night, baby, you can hide  
Got a sweet tooth, wishing I could feed you, mmm

I got that cinnamon, cinnamon pie  
Watch it dripping down, down my thigh  
Ain't no innocent, innocent mind  
In this club tonight

I know you want my body  
Baby, I'll give you one more taste  
Don't rush and take it slowly

Can't eat it all in just one day

I got a lot of sugar

That's what you get when you eat cake

I know you want my body

Want body, baby, you say

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy (ah)

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Emergency

All night, all you can eat

Not talking 'bout su-sushi

Make your heart's keep getting on this to this, mmm

I got that cinnamon, cinnamon pie

Watch it dripping down, down my thigh

Ain't no innocent, innocent mind

In this club tonight

I know you want my body

Baby, I'll give you one more taste

Don't rush and take it slowly  
Can't eat it all in just one day

I got a lot of sugar

That's what you get when you eat cake

I know you want my body

Want body, baby, you say

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh...

(Yummy, yummy)

I know you want my body

Baby, I'll give you one more taste

Don't rush and take it slowly

Can't eat it all in just one day

I got a lot of sugar

That's what you get when you eat cake

I know you want my body

Want body, baby, you say

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy

Ooh-ooh-ooh, da-da, ah-ah-ah, da-da, ooh-ooh-ooh, yummy, yummy
