"10:35"

All I know it's 10:35

And I can feel your arms around me

Let 'em drown me

All I know it's 10:35

And I'm thanking, thanking God you found me

That you found me

Everyday, I go places in my head

Darker thoughts are harder now

They look like monsters under my bed

And every time, it's like a rocket through my chest

The TV make you think the whole world's about to end

I don't know where this night is goin' (goin')

But I know that you and me got somethin' (somethin')

So many things that I'm afraid of (afraid of)

But right now I ain't scared of nothin'

('Cause all I know is)

(All I know is, all I, all I)

'Cause all I know it's 10:35

And I can feel your arms around me

Let 'em drown me

All I know it's 10:35

And I'm thanking, thanking God you found me

That you found me

So don't you worry

About tomorrow

Don't you worry

Just pass the bottle

All I know it's 10:35

And I can feel your arms around me

Let 'em drown me

Every night, I go places in my dreams

So many never-ending alleyways

I don't know what it means

But this is it

I know the sun will wake me up
Tell me I'd be dumb to not get what I want

I don't know where this night is goin' (goin')

But I know that you and me got somethin'

So many things that I'm afraid of

But right now I ain't scared of nothin'

('Cause all I know is)

(All I know is, all I-, all I-)

'Cause all I know it's 10:35

And I can feel your arms around me

Let 'em drown me

All I know it's 10:35

And I'm thanking, thanking God you found me

That you found me

So don't you worry

About tomorrow

Don't you worry

Just pass the bottle

All I know it's 10:35

And I can feel your arms around me

Let 'em drown me (uh-oh, oh)

It's 10:35 (ooh-oh)

10:35 (uh-oh, oh)

Know it's 10:35 (uh-oh, oh)

Know it's 10:35 (uh-oh, oh)
