## "5 Leaf Clover"

Well, I go to work every Monday

Get to do something I love

And I make it home every evening

To an angel God sent from above

Got an eight-point on camera from last year

That this season looks like a ten

I got a barn with a fridge full of cold beer

On the weekend it's full of good friends

I know I'm a lucky man, but I ain't sure why I am

'Cause it ain't like anyone deserves the world in the palm of their hand

Now I hit my knees, thankful as can be

But the one thing I can't get over

How'd a guy like me, who'd have been fine with three

Wind up with a five-leaf clover?

I got a half ton that's parked in the driveway

My dog wags his tail when he hears  
I grew up in a good place to be from  
My folks still got a bunch of good years

Now, I know I'm a lucky man, but I ain't sure why I am  
'Cause it ain't like anyone deserves the world in the palm of their hand  
I've hit my knees, thankful as can be  
But the one thing I can't get over  
Is how'd a guy like me, who'd have been fine with three  
Wind up with a five-leaf clover?

I know I'm a lucky man, but I ain't sure why I am  
'Cause it ain't like anyone deserves the world in the palm of their hand  
I've hit my knees, thankful as can be  
But the one thing I can't get over  
Is how'd a guy like me, who'd have been fine with three  
Wind up with a five-leaf clover?

How'd a guy like me, who could've wound up with weeds  
Wind up with a five-leaf clover?
