"A Thousand Years"

The day we met
Frozen I held my breath
Right from the start
I knew that I'd found a home for my heart
Beats fast
Colors and promises
How to be brave?
How can I love when I'm afraid to fall?
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer
I have died everyday waiting for you

Darling, don't be afraid, I have loved you for a thousand years

I'll love you for a thousand more

Time stands still

Beauty in all she is

I will be brave

I will not let anything take away

What's standing in front of me

Every breath, every hour has come to this

One step closer

I have died everyday waiting for you

Darling, don't be afraid, I have loved you for a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more

Ooh-ooh

Ooh-ooh

I love you for a thousand more
Ooh-ooh-ooh-ooh-ooh-ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh

One step closer

I have died everyday waiting for you
Darling, don't be afraid, I have loved you for a thousand years
I'll love you for a thousand more

And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
