## "American Idiot"

Don't wanna be an American idiot  
Don't want a nation under the new media  
And can you hear the sound of hysteria?

The subliminal mind-fuck America

Welcome to a new kind of tension

All across the alien nation

Where everything isn't meant to be okay

In television dreams of tomorrow

We're not the ones who're meant to follow

For that's enough to argue

Well, maybe I'm the faggot, America

I'm not a part of a redneck agenda

Now everybody, do the propaganda

And sing along to the age of paranoia

Welcome to a new kind of tension  
All across the alien nation  
Where everything isn't meant to be okay  
In television dreams of tomorrow  
We're not the ones who're meant to follow  
For that's enough to argue

Don't wanna be an American idiot  
One nation controlled by the media  
Information age of hysteria  
It's calling out to idiot America

Welcome to a new kind of tension  
All across the alien nation  
Where everything isn't meant to be okay  
In television dreams of tomorrow  
We're not the ones who're meant to follow  
For that's enough to argue
