"Boy's a liar Pt. 2"

Take a look inside your heart, is there any room for me?

I won't have to hold my breath 'til you get down on one knee
Because you only want to hold me when I'm looking good enough

Did you ever feel me?, Would you ever picture us?

Every time I pull my hair, well, it's only out of fear
That you'll find me ugly and one day you'll disappear because

What's the point of crying? It was never even love

Did you ever want me?, Was I ever good enough?

The-the boy's a liar, the boy's a liar

He doesn't see ya, you're not looking at me, boy

The boy's a liar, the boy's a liar

He doesn't see ya, you're not looking at me, boy

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough

He say that I'm good enough, grabbin' my duh-duh-duh

Thinkin' 'bout shit that I shouldn't have (huh)

So I tell him there's one of me, he makin' fun of me (ha-ha)

His girl is a bum to me (grrah)

Like that boy is a cap, sayin' he home but I know where he at, like

Bet he blowin' her back

Thinkin' 'bout me 'cause he know that ass fat (damn)

And it been what it been (uh, huh)

Callin' his phone like, "Yo, send me your PIN"

Duckin' my shit, 'cause he know what I'm on (grrah)

But when he hit me I'm not gon' respond (grrah)

But I don't sleep enough without you

And I can't eat enough without you (huh)

If you don't speak, does that mean we're through? (Huh)

Don't like sneaky shit that you do (grrah)

The-the boy's a liar, the boy's a liar

He doesn't see ya, you're not looking at me, boy

The boy's a liar, the boy's a liar
He doesn't see ya, you're not looking at me, boy

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough

Good eno-o-ough, good eno-o-ough
