"Buy Dirt"

A few days before he turned 80
He was sittin' out back in a rocker
He said, "What you been up to lately?"
I told him, "Chasing a dollar"
And in between sips of coffee
He poured this wisdom out
Said, "If you want my two cents on making a dollar count

Buy dirt

Find the one you can't live without
Get a ring, let your knee hit the ground
Do what you love but call it work
And throw a little money in the plate at church
Send your prayers up and your roots down deep
Add a few limbs to your family tree
And watch their pencil marks

And the grass in the yard all grow up"

'Cause the truth about it is

It all goes by real quick

You can't buy happiness

But you can buy dirt

Before you get caught on that ladder

Let me tell you what it's all about

Find you a few things that matter

That you can put a fence around

And then he laid it out

Buy dirt

Find the one you can't live without

Get a ring, let your knee hit the ground

Do what you love but call it work

And throw a little money in the plate at church

Send your prayers up and your roots down deep

And add a few limbs to your family tree

And watch their pencil marks

And the grass in the yard all grow up

'Cause the truth about it is
It all goes by real quick
You can't buy happiness
But you can buy dirt

You can buy dirt
And thank the good Lord for it
'Cause He ain't makin' any more of it

So buy dirt
Find the one you can't live without
Get a ring, let your knee hit the ground
Do what you love but call it work
And throw a little money in the plate at church
Send your prayers up and your roots down deep
Add a few limbs to your family tree
And watch their pencil marks
And the grass in the yard all grow up

'Cause the truth about it is
It all goes by real quick
You can't buy happiness
But you can buy dirt
