"Chasing Cars"

We'll do it all

Everything

On our own

We don't need

Anything

Or anyone

If I lay here

If I just lay here

Would you lie with me and just forget the world?

I don't quite know

How to say

How I feel

Those three words
Are said too much
They're not enough

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

Let's waste time
Chasing cars
Around our heads

I need your grace
To remind me
To find my own

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes, they're all I can see

I don't know where
Confused about how as well
Just know that these things will never change for us at all

If I lay here
If I just lay here
Would you lie with me and just forget the world?
