"Crazy"

I remember when

I remember, I remember when I lost my mind

There was something so pleasant about that place

Even your emotions have an echo in so much space

And when you're out there without care

Yeah, I was out of touch

But it wasn't because I didn't know enough

I just knew too much

Does that make me crazy?

Does that make me crazy?

Does that make me crazy?

Possibly

And I hope that you are having the time of your life

But think twice, that's my only advice
Come on now, who do you, who do you, who do you
Who do you think you are
Ha ha ha, bless your soul
You really think you're in control

I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to lose their lives out on the limb
And all I remember is thinking I want to be like them

Ever since I was little
Ever since I was little it looked like fun
And it's no coincidence I've come
And I can die when I'm done

But maybe I'm crazy
Maybe you're crazy
Maybe we're crazy
Probably
