## "Dawns"

Wake me up, when the season's gone  
'Cause, I've wasted all my dawns, on you

So, what do I do

Oh, what I do

I get fucked up, just 'cause I'm scared  
Love's just another drug, I have grown a victim to

So, what do I do

Oh, what do I do

All is fair, in love and war

So, what the hell are we even fightin' for  
I'm on your front porch, beggin' for my dawns, back  
Give my God damn records, and my clothes, back  
'Cause, I'm through

Oh, how I'm through

And, by the time she wakes

I'll be halfway, to my mama's home

It just dawned on me

Life is as fleeting, as the passin' dawn

And, it was my mistake

'Cause, she never said a thing, about Jesus

I miss my mother's southern drawl

And, her prayin', through the walls, in the evenin

Give me my dawns, back

Everything that dies, makes it's way, back

I lost her, last July, in a heart attack

I need one small victory, mmm

Give me my dawns, back

'Cause, everything that dies, makes it's way, on back

I lost her, last July, in a heart attack

I need one, small victory

Wake me up, when the season's gone

'Cause, I've wasted all my dawns, on you

So, what do I do

Oh, what I do

And, by the time he wakes

I'll be halfway, to my best friend's home

It just dawned on me

Life is as fleeting, as the passin' dawn

And, I shoulda told him twice

I believe in something bigger, than both of us

I miss goin' out to bars, shootin' stars

Not worryin', 'bout what's left of us, mmm

Give me my dawns, back

Everything that dies, makes it's way, on back

I lost her, last July, in a heart attack

I need one small victory, mmm

Give me my dawns, back

Everything that dies, makes it's way, on back

I lost her, last July, in a heart attack

I need one small victory

Ooh

Ooh, ooh

I got fucked up, just 'cause I'm scared

Love's just another drug, I have grown a victim to

What do I do

Oh, what do I do
