"Do I Wanna Know?"

Have you got colour in your cheeks?

Do you ever get that fear that you can't shift the tide

That sticks around like summat in your teeth?

Are there some aces up your sleeve?

Have you no idea that you're in deep?

I've dreamt about you nearly every night this week

How many secrets can you keep?

'Cause there's this tune I found

That makes me think of you somehow an' I play it on repeat

Until I fall asleep, spillin' drinks on my settee

(Do I wanna know?) If this feelin' flows both ways?

(Sad to see you go) Was sorta hopin' that you'd stay

(Baby, we both know) That the nights were mainly made

For sayin' things that you can't say tomorrow day

Crawlin' back to you
Ever thought of callin' when
You've had a few?
'Cause I always do
Maybe I'm too
Busy bein' yours
To fall for somebody new
Now, I've thought it through
Crawlin' back to you

So have you got the guts?
Been wonderin' if your heart's still open
And if so, I wanna know what time it shuts
Simmer down an' pucker up, I'm sorry to interrupt
It's just I'm constantly on the cusp of tryin' to kiss you
But I don't know if you feel the same as I do
But we could be together if you wanted to

(Do I wanna know?) If this feelin' flows both ways?
(Sad to see you go) Was sorta hopin' that you'd stay
(Baby, we both know) That the nights were mainly made
For sayin' things that you can't say tomorrow day

Crawlin' back to you (Crawlin' back to you)

Ever thought of callin' when

You've had a few? (Had a few)

'Cause I always do ('Cause I always do)

Maybe I'm too (Maybe I'm too busy)

Busy bein' yours (Bein' yours)

To fall for somebody new

Now, I've thought it through

Crawlin' back to you

(Do I wanna know?) If this feelin' flows both ways?

(Sad to see you go) Was sorta hopin' that you'd stay

(Baby, we both know) That the nights were mainly made

For sayin' things that you can't say tomorrow day

(Do I wanna know?) Too busy bein' yours to fall

(Sad to see you go) Ever thought of callin', darlin'?

(Do I wanna know?) Do you want me crawlin' back to you?
