"Do It Again?"

Walking around these walls

I thought by now they'd fall

But You have never failed me yet

Waiting for change to come

Knowing the battle's won

For You have never failed me yet

Your promise still stands

Great is Your faithfulness, faithfulness

I'm still in Your hands

This is my confidence

You've never failed me yet

I know the night won't last

Your word will come to pass
My heart will sing Your praise again

Jesus You're still enough
Keep me within Your love, oh
My heart will sing Your praise again
(Oh, yes, it will)

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed

Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence
You've never failed me yet

Never failed me yet
Oh, oh-oh

I've seen You move, You move the mountains

And I believe I'll see You do it again
You made a way, where there was no way
And I believe I'll see You do it again

I've seen You move, You move the mountains

And I believe I'll see You do it again
You made a way, where there was no way
And I believe I'll see You do it again

I've seen You move, You move the mountains

And I believe I'll see You do it again
You made a way, where there was no way
And I believe I'll see You do it again

I'll see You do it again

Your promise still stands

Great is Your faithfulness, faithfulness

I'm still in Your hands

This is my confidence

You've never failed

Your promise still stands

Great is Your faithfulness, faithfulness

I'm still in Your hands
This is my confidence
You've never failed me yet

Oh, You've never failed me yet
And I never will forget
You've never failed me yet
And I never will forget
