## "Dream A Little Dream Of Me"

Stars shining bright above you

Night breezes seem to whisper "I love you"

Birds singin' in the sycamore trees

Dream a little dream of me

Say "Night-ie night" and kiss me

Just hold me tight and tell me you'll miss me

While I'm alone and blue as can be

Dream a little dream of me

Stars fading but I linger on, dear

Still craving your kiss

I'm longing to linger 'til dawn, dear

Just saying this

Sweet dreams 'til sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me

Stars fading but I linger on, dear  
Still craving your kiss  
I'm longing to linger 'til dawn, dear  
Just saying this

Sweet dreams 'til sunbeams find you  
Sweet dreams that leave all worries behind you  
But in your dreams, whatever they be  
Dream a little dream of me  
Dream a little dream of me  
Dream a little dream of me
