"Every Breath You Take"

Every breath you take

And every move you make

Every bond you break

Every step you take

I'll be watching you

Every single day

And every word you say

Every game you play

Every night you stay

I'll be watching you

Oh, can't you see

You belong to me?

How my poor heart aches

With every step you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone, I've been lost without a trace

I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying, baby, baby please

Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake

I'll be watching you
Every move you make
Every step you take
I'll be watching you

I'll be watching you
(Every breath you take)
(Every move you make)
(Every bond you break)
(Every step you take) I'll be watching you

I'll be watching you

I'll be watching you

whoo, hoo
(Every game you play)
(Every night you stay) I'll be watching you

I'll be watching you

I'll be watching you

I'll be watching you

(Every single day)

(Every word you say)

(Every game you play)

(Every night you stay) I'll be watching you
