## "Gone"

My favourite thing about you is you're gone

And I don't have to hear you go and on, and on, and on

My favourite thing about you is I'm no longer around you, yeah

My favourite thing about you is you're gone

My favourite thing about you is you're dead

You're dead to me and so is every word you ever said

My favourite thing about you is how good I am without you, yeah

My favourite thing about you is you're gone

I used to love the way you kiss me

And now I love the way you miss me

No, I used to pray

Pray you would stay

Stay for so long

Boy, I was wrong

Now my favourite thing about you is you're gone

You're gone, you're gone, you're gone, you're gone  
You're gone, you're gone, you're gone, you're gone, yeah  
You're gone, you're gone, you're gone, you're gone

My favourite thing about you is your eyes  
And how they get to watch me walk away from all your lies  
My favourite thing about you ain't the world I built around you  
No, my favourite thing about you is you're gone  
(You're gone, gone)

I used to love the way you kiss me (I used to love)  
And now I love the way you miss me (and now I love)  
No, I used to pray  
Pray you would stay  
Stay for so long  
Boy, I was wrong

Now my favourite thing about you is you're gone

You're gone, you're gone, you're gone, you're gone  
You're gone, you're gone, you're gone, you're gone  
You're gone, you're gone, you're gone, you're gone

And you're never coming back no more  
And I'm never gonna let you win  
'Cause I'm better than I was before  
Baby, you know, you know what you did  
And you're never coming back no more  
And you're never coming back no more  
And you're never coming (never coming)

My favourite thing about you

Oh, my favourite thing about you is you're gone, you're gone

And I don't have to hear you go and on, and on, and on

My favourite thing about you is I'm no longer around you

My favourite thing about you is you're so gone

You're gone, you're gone (you're gone)

My favourite thing about you is I'm no longer around you

My favourite thing about you is you're so gone
