"Graves Into Gardens"

I searched the world
But it couldn't fill me
Man's empty praise
And treasures that fade
Are never enough

Then You came along
And put me back together
And every desire
Is now satisfied
Here in Your love (hey)

Oh, there's nothing better than You
There's nothing better than You
Lord, there's nothing

Nothing is better than You (oh)

(Yes, I know it's true)

(Come on, tell Him, hey)

I'm not afraid

To show You my weakness

My failures and flaws

Lord, You've seen them all

And You still call me friend

'Cause the God of the mountain

Is the God of the valley

There's not a place

Your mercy and grace

Won't find me again (come on, now)

Oh, there's nothing better than You

There's nothing better than You

Lord, there's nothing

Nothing is better than You

(I know it's true)

Oh, there's nothing better than You (somebody testify)

There's nothing better than You

Lord, there's nothing

Nothing is better than You

(If He's ever made a way for you, I want you to sing this)

(Come on, tear the roof off)

You turn mourning to dancing

You give beauty for ashes

You turn shame into glory

You're the only one who can (come on)

You turn mourning to dancing

You give beauty for ashes

You turn shame into glory (tell 'em now)

You're the only one who can (let's turn the graves)

You turn graves into gardens

You turn bones into armies

You turn seas into highways

You're the only one who can (he's the only one)

You're the only one who can

Oh, there's nothing (come on, choir), better than You

Oh, there's nothing better than You

Lord, there's nothing
Nothing is better than You (I've searched and not found)

Oh, there's nothing better than You
There's nothing better than You

Lord, there's nothing
Nothing is better than You
(Oh, come on, if He turned your grave into a garden, say)

You turn graves into gardens
You turn bones into armies
You turn seas into highways

You're the only one who can (turning graves)
You turn graves into gardens (He's turning bones into an army)
You turn bones into armies (He's makin' waves through the seas)

You turn seas into highways
You're the only one who can
You're the only one who can
You're the only one who can

Somebody give Him praise in this house

I don't think we're finished yet, come on

I think He's turning some things over tonight

You turn my mourning into dancing, come on

You turn mourning to dancing (yeah)

You give beauty for ashes (shame into glory)

You turn shame into glory

You're the only one who can (oh, He's turnin' my grave)

You turn graves into gardens

You turn bones into armies (He's makin' waves through the seas)

You turn seas into highways (You're the only)

You're the only one who can (come on, one more time)

(You turn my grave into a garden)

You turn graves into gardens (You're resurrectin' bones)

You turn bones into armies (You're makin' waves through my sea)

You turn seas into highways (shout it out, You're the only)

You're the only one who can (You're the only)

You're the only one who can (You're the only)

You're the only one who can

Jesus, You're the only one

Come on, give Him one more shout of praise
