"Hotline Bling"

You used to call me on my

You used to, you used to

Yeah

You used to call me on my cell phone

Late night when you need my love

Call me on my cell phone

Late night when you need my love

And I know when that hotline bling

That can only mean one thing

I know when that hotline bling

That can only mean one thing

Ever since I left the city, you

Got a reputation for yourself now

Everybody knows and I feel left out
Girl, you got me down, you got me stressed out
'Cause ever since I left the city, you
Started wearing less and goin' out more
Glasses of champagne out on the dance floor
Hangin' with some girls I've never seen before

You used to call me on my cell phone
Late night when you need my love
Call me on my cell phone
Late night when you need my love
I know when that hotline bling
That can only mean one thing
I know when that hotline bling
That can only mean one thing

Ever since I left the city, you, you, you
You and me, we just don't get along
You make me feel like I did you wrong
Going places where you don't belong
Ever since I left the city, you
You got exactly what you asked for
Running out of pages in your passport

Hanging with some girls I've never seen before

You used to call me on my cell phone

Late night when you need my love

Call me on my cell phone

Late night when you need my love

And I know when that hotline bling

That can only mean one thing

I know when that hotline bling

That can only mean one thing

These days, all I do is

Wonder if you're bendin' over backwards for someone else

Wonder if you're rollin' up a Backwoods for someone else

Doing things I taught you, gettin' nasty for someone else

You don't need no one else

You don't need nobody else, no

Why you never alone?

Why you always touchin' road?

Used to always stay at home, be a good girl

You was in the zone

Yeah, you should just be yourself

Right now, you're someone else

You used to call me on my cell phone

Late night when you need my love

Call me on my cell phone

Late night when you need my love

And I know when that hotline bling

That can only mean one thing

I know when that hotline bling

That can only mean one thing

Ever since I left the city
