## "I Know What You Did Last Summer"

Ah-ah, hey

Ah-ah, ah-ah

Ah-ah, hey

Ah-ah, ah-ah

He knows

Dirty secrets that I keep

Does he know it's killing me?

He knows, he knows

D-d-does he know

Another's hands have touched my skin

I won't tell him where I've been

He knows, he knows, he knows

It's tearing me apart

She's slipping away (I'm slipping away)

Am I just hanging on to all the words she used to say?

The pictures on her phone

She's not coming home (I'm not coming home)

Coming home, coming home

I know what you did last summer (ah-ah)

Just lied to me, "there's no other" (hey)

I know what you did last summer

Tell me where you've been

I know what you did last summer (ah-ah)

Look me in the eyes, my lover (hey)

I know what you did last summer

Tell me where you've been

I know, I know, I know, I know (ah-ah)

I know, I know, I know (hey)

I know, I know, I know, I know (ah-ah)

I know, I know, I know (ah-ah)

I didn't mean it, no (ah-ah)

I didn't mean it, mean it, no (hey)

Can't seem to let you go (ah-ah)

Can't seem to hold you close (ah-ah)

I know

When she looks me in the eyes

They don't seem as bright

No more, no more

I know

That she loved me at one time

Would I promise her that night

Cross my heart and hope to die

It's tearing me apart (it's tearing me apart)

She's slipping away (I'm slipping away)

Am I just hanging on to all the words she used to say?

The pictures on her phone (the pictures on my phone)

She's not coming home (I'm not coming home)

Oh, na, na, na, yeah

I know what you did last summer (ah-ah)

Just lied to me, "there's no other" (hey)

I know what you did last summer

Tell me where you've been

I know what you did last summer (ah-ah)

Look me in the eyes, my lover (hey)

I know what you did last summer

Tell me where you've been

I know, I know, I know, I know

I know, I know, I know

I know, I know, I know, I know

I know, I know, I know (know, know)

Can't seem to let you go

Can't seem to keep you close (hold me close)

Can't seem to let you go

Can't seem to keep you close (you know I didn't mean it, though)

Tell me where you've been lately

Tell me where you've been lately (just hold me close)

Tell me where you've been lately

Tell me where you've been lately (don't, don't, don't, don't let me go)

Can't seem to keep you close

Can't seem to let you go (I didn't mean it, though)

I know you didn't mean it, though

I know you didn't mean it, though (I don't wanna let you go)

Tell me you didn't mean it, though (no, no, no)

Tell me you didn't mean it, though (Can't seem to let you go)

I know you didn't mean it, though (seem to let you go)

I wanna know you mean it though (hold me close)

I know you didn't mean it though (just hold me close)

I know you didn't mean it though

I can't seem to let you go

Can't seem to hold you close

I know what you did last summer (ah-ah)

Just lied to me, "there's no other" (hey)

I know what you did last summer

Tell me where you've been

I know what you did last summer (ah-ah)

Look me in the eyes, my lover (hey)

I know what you did last summer

Tell me where you've been

I know, I know, I know, I know (ah-ah)

I know, I know, I know (hey)

I know, I know, I know, I know (ah-ah)

I know, I know, I know (ah-ah)

I know, I know, I know, I know (ah-ah)

I know, I know, I know (hey)

I know, I know, I know, I know (ah-ah)

I know, I know, I know (ah-ah)

I know
