"I Will Always Love You"

If I, should stay

I would only, be in, your way

So I'll go, but I know

I'll think of you, every step of, the way

And I, will always, love you

I will always, love you

You, my darling you

Bitter sweet, memories

That is all, I'm taking, with me

So goodbye, please, don't cry

We both know, I'm not what you, you need

And I, will always, love you

I, will always love you, you

I hope, life, treats you kind

And I hope, you have all you've, dreamed of

And I wish to you joy and happiness

But above all this, I wish you love

And I, will always, love you

I will, always, love you

I, will, always, love you

I, will, always, love you

I will always, love you

I, I will always love you, you

Darling, I love you

Ooh, I'll always

I'll always, love you...
