"I am not a woman, I'm a God"

I am not a woman, I'm a god
I am not a martyr, I'm a problem
I am not a legend, I'm a fraud
Keep your heart, 'cause I already-

Every day I've got a smile where my frown goes
A couple bodies in the garden where the grass grows
I take 'em with me to the grave in a suitcase
Maybe I could be a different human in a new place

Oh, I just wanna feel something, tell me where to go
'Cause everybody knows something I don't wanna know

So I'll stay right here 'cause I'm better all alone

Yeah, I'm better all alone

Look, I am not a woman, I'm a god
I am not a martyr, I'm a problem
I am not a legend, I'm a fraud
So keep your heart 'cause I already got one

I am not a woman, I'm a god
I am not a martyr, I'm a problem
I am not a legend, I'm a fraud
Keep your heart, 'cause I already-

Every morning, got a hollow where my heart goes
I never listen, but I see it with my eyes closed
I know you, I remember from the grass stain
Maybe I could be a better human with a new name

Oh, I just wanna feel something, tell me where to go
'Cause everybody knows something I don't wanna know
So I'll stay right here 'cause I'm better all alone
Yeah, I'm better all alone

Look, I am not a woman, I'm a god
I am not a martyr, I'm a problem
I am not a legend, I'm a fraud

So keep your heart 'cause I already got one

I am not a woman, I'm a god

I am not a martyr, I'm a problem

I am not a legend, I'm a fraud

Keep your heart 'cause I already-

I'm ready to leave it, I'll go when I feel it

Got caught both hands on the smoking gun

I try but I need it, it's hard but I feel it

And it really does hurt when you love someone

Oh, I just wanna feel something, tell me where to go

'Cause everybody knows something I don't wanna know

So I'll stay right here 'cause I'm better all alone

Yeah, I'm better all alone

I am not a woman, I'm a god

I am not a martyr, I'm a problem

I am not a legend, I'm a fraud

So keep your heart 'cause I already got one

I am not a woman, I'm a god

I am not a martyr, I'm a problem

I am not a legend, I'm a fraud

Keep your heart 'cause I already got one
