"In the End"

It starts with one

All I know

It's so unreal

Watch you go

I tried so hard and got so far

But in the end, it doesn't even matter

I had to fall to lose it all

But in the end, it doesn't even matter

One thing, I don't know why

It doesn't even matter how hard you try

Keep that in mind, I designed this rhyme

To remind myself of a time when I tried so hard

In spite of the way you were mockin' me

Actin' like I was part of your property

Remembering all the times you fought with me

I'm surprised it got so far

Things aren't the way they were before

You wouldn't even recognize me anymore

Not that you knew me back then

But it all comes back to me in the end

You kept everything inside

And even though I tried, it all fell apart

What it meant to me will eventually

Be a memory of a time when I

I tried so hard and got so far

But in the end, it doesn't even matter

I had to fall to lose it all

But in the end, it doesn't even matter

One thing, I don't know why

It doesn't even matter how hard you try

Keep that in mind

I designed this rhyme to explain in due time

All I know

Time is a valuable thing

Watch it fly by as the pendulum swings

Watch it count down to the end of the day

The clock ticks life away

It's so unreal

You didn't look out below

Watch the time go right out the window

Tryin' to hold on, they didn't even know

I wasted it all just to watch you go

I kept everything inside

And even though I tried, it all fell apart

What it meant to me will eventually be a memory

Of a time when I tried so hard
