"Jack & Diane"

A little ditty 'bout Jack & Diane
Two American kids growing up in the heart land
Jack, he's gonna be a football star
Diane's debutante, back seat of Jacky's car

Suckin' on chilli dog outside the Tastee Freez
Diane sitting on Jacky's lap
Got his hands between her knees
Jack he says
"Hey, Diane, let's run off behind a shady tree
Dribble off those Bobby Brooks
Let me do what I please"

Saying "Oh yeah
Life goes on, long after the thrill of living is gone"

Saying "Oh yeah

Life goes on, long after the thrill of living is gone"

They walk on

Jack he sits back, collects his thoughts for a moment

Scratches his head, and does his best James Dean

"Well then, there, Diane, we ought to run off to the city"

Diane says

"Baby, you ain't missing nothing"

But Jack he says, yeah

"Oh yeah, life goes on, long after the thrill of living is gone"

"Oh yeah"

He's saying "Life goes on, long after the thrill of living is gone"

Oh, let it rock, let it roll

Let the bible belt come and save my soul

Holdin' on to sixteen as long as you can

Change is coming 'round real soon

Make us women and men

"Oh yeah, life goes on, long after the thrill of living is gone"

"Oh yeah"

He's saying "Life goes on, long after the thrill of living is gone"

A little ditty 'bout Jack and Diane

Two American kids doin' the best they can
