"Like a Prayer"

Life is a mystery

Everyone must stand alone

I hear you call my name

And it feels like home

When you call my name it's like a little prayer

I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power

Just like a prayer you know I'll take you there

I hear your voice

It's like an angel sighing

I have no choice, I hear your voice

Feels like flying

I close my eyes

Oh God I think I'm falling

Out of the sky, I close my eyes

Heaven help me

When you call my name it's like a little prayer

I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power

Just like a prayer you know I'll take you there

Like a child

You whisper softly to me

You're in control just like a child

Now I'm dancing

It's like a dream

No end and no beginning

You're here with me it's like a dream

Let the choir sing

When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power
Just like a prayer you know I'll take you there

When you call my name it's like a little prayer
I'm down on my knees, I wanna take you there

In the midnight hour I can feel your power
Just like a prayer you know I'll take you there

Life is a mystery

Everyone must stand alone

I hear you call my name

And it feels like home

Just like a prayer, your voice can take me there

Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, I'll take you there

It's like a dream to me

Just like a prayer, your voice can take me there

Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Just like a prayer, your voice can take me there

Just like a muse to me, you are a mystery

Just like a dream, you are not what you seem

Just like a prayer, no choice your voice can take me there

Your voice can take me there

Like a prayer

Just like a prayer

Just like a prayer, your voice can take me there

Just like a prayer

Just like a prayer, your voice can take me there
