"Lottery"

Big Latto

Hahaha

The biggest

Ooh, If I let you put your hands all over me

If I let you unwrap all this in the sheets

If I tell you all my dirty fantasies

You won the lottery, you won the lottery

Ooh, If I let you take me home with you tonight

If I let you see what I got on my mind

If I tell you all my dirty fantasies (Latto)

You won the lottery (yeah), you won the lottery

Ooh, I need a real boss

Somebody who don't care what the bill cost

Smooth skin, thick thighs, you can feel on

If he hit this then he hit the Mega Million
Play him like a scratch-off, think he gettin' lucky
Jackpot, baby, if I ever let you touch me
Sip me like wine, I'ma pop it like bubbly
A bitch this fine, make it hard not to love me
'Cause this (uh) it could change your life alone
He like (uh) when I get on the microphone
These big old double D's, waist is on petite
Juicy like Capris if I let him squeeze

Yeah, handcuffs, whip cream
I'm the girl of your dreams
Boy, you know you hit the lottery
Cha-ching, cha-ching

Ooh, If I let you put your hands all over me
If I let you unwrap all this in the sheets
If I tell you all my dirty fantasies
You won the lottery, you won the lottery
Ooh, If I let you take me home with you tonight (tonight, tonight)
If I let you see what I got on my mind (my mind, my mind)
If I tell you all my dirty fantasies (Latto)
You won the lottery (yeah), you won the lottery

Whoa, there, baby, 'fore we go there, baby
It's a couple things that you gotta know, lil' baby
I been that bitch so they want what's mine
Like some J's just dropped, niggas waitin' in line
You gotta work for this, can't purchase this
Gotta prove yourself and show me what your purpose is
Show me that you're really worthy of my services
I keep a nigga on my arm where my purses is
Uh, you lookin' at a centerfold
Playboy Bunny, wanna take me home
Bad bitch from head to toe
Tryna fold me up and lick it like a envelope
Yeah, all eyes on me
I'm the girl of your dreams
Boy, you know you hit the lottery
Cha-ching, cha-ching

Ooh, If I let you put your hands all over me
If I let you unwrap all this in the sheets
If I tell you all my dirty fantasies
You won the lottery, you won the lottery

Ooh, If I let you take me home with you tonight (tonight, tonight)

If I let you see what I got on my mind (my mind, my mind)

If I tell you all my dirty fantasies (Latto)

You won the lottery (yeah), you won the lottery

On God, though

If I let you hit this

Then you know you hit the lotto, right?
