"Marvins Room"

Hello? Yeah, I just walked in

Yeah, I'm good, you still working?

Tonight, right now? Did I go out? Yeah, I went out

I went, I went to a couple of clubs

I never went to bed, shit, wine or water

You said something about a cold drink?

I don't know, I'm delirious

Cups of the Rosé

Bitches in my old phone

I should call one and go home

I've been in this club too long

The woman that I would try

Is happy with a good guy

But I've been drinking so much

That I'ma call her anyway and say

Fuck that nigga that you love so bad
I know you still think about the times we had
I say fuck that nigga that you think you found

And since you picked up
I know he's not around, ho-ho

I'm just saying you could do better
Tell me have you heard that lately?
I'm just saying you could do better
And I'll start hatin' only if you make me

Uh, cups of the XO
All my people been here
I see all of her friends here
Guess she don't have the time to kick it no more

Flights in the morning
What you doing that's so important?

I've been drinking so much
That I'ma call you anyway and say

Fuck that nigga that you love so bad
I know you still think about the times we had

I say fuck that nigga that you think you found

And since you picked up

I know he's not around, ho-ho-oh

I'm just saying you could do better

Tell me have you heard that lately?

I'm just saying you could do better

And I'll start hatin' only if you make me

I think I'm addicted to naked pictures

And sittin' talking 'bout bitches that we almost had

I don't think I'm conscious of making monsters

Outta the women I sponsor 'til it all goes bad

But shit, it's all good

We threw a party, yeah, we threw a party

Bitches came over, yeah, we threw a party

I was just calling 'cause they were just leaving

Talk to me please don't have much to believe in

I need you right now, are you down to listen to me?

Too many drinks have been given to me

I got some women that's living off me

Paid for their flights and hotels, I'm ashamed
Bet that you know them, I won't say no names
After a while, girl, they all seem the same
I've had sex four times this week, I'll explain

Having a hard time adjusting to fame

Sprite in that mixture

I've been talking crazy, girl

I'm lucky that you picked up

Lucky that you stayed on

I need someone to put this weight on

Well, I'm sorry

I'm just saying you could do better

Tell me have you heard that lately?

I'm just saying you could do better

And I'll start hatin' only if you make me

You not gonna to come?

Guess I'm 'bout to just kick it here then

Just throw up while I hold your hair back

Her white friend said, you niggas crazy

I hope no one heard that

I hope no one heard that

'Cause if they did, we gon' be in some trouble

If they did, we gon' be in some trouble

Trouble
