"Neon Moon"

When the sun goes down on my side of town

That lonesome feeling comes to my door

And the whole world turns blue

There's a rundown bar 'cross the railroad tracks

I got a table for two way in the back

Where I sit alone and think of losing you

I spend most every night

Beneath the light

Of a neon moon

Now if you lose your one and only

There's always room here for the lonely

To watch your broken dreams

Dance in and out of the beams

Of a neon moon

I think of two young lovers running wild and free
I close my eyes and sometimes see
You in the shadows of this smoke-filled room
No telling how many tears I've sat here and cried
Or how many lies that I've lied
Telling my poor heart she'll come back someday

Oh, but I'll be alright
As long as there's light
From a neon moon

Oh, if you lose your one and only
There's always room here for the lonely
To watch your broken dreams
Dance in and out of the beams
Of a neon moon

Jukebox plays on, drink by drink
And the words of every sad song seem to say what I think
And its hurt inside of me, ain't never gonna end

Oh, but I'll be alright

As long as there's light

From a neon moon

Oh, if you lose your one and only

There's always room here for the lonely

To watch your broken dreams

Dance in and out of the beams

Of a neon moon

Come watch your broken dreams

Dance in and out of the beams

Of a neon moon

Oh, watch your broken dreams

Dance in and out of the beams

Of a neon moon
