## "PARAMOUR"

Tell me, is your father a good man?  
It's surprising how little, he seems to understand  
His daughter was my savior  
Sure, she can be a little indecisive  
But I don't have to make her choose 'cause

This is how it goes  
Watching it unfold (watching it unfold)  
Playing my own role (runaway on 'em)  
Dum-dum-ditty-dum-dum-ditty, daddy don't  
Make me leave this home  
This is what you chose (this is what you chose)  
I can't let him go (runaway on 'em)  
Dum-dum-ditty-dum-dum-ditty, daddy don't

In our house, the quiet is so loud  
I'll never hear a single word, you wanna shout  
Oh God, you're just a child  
Oh, he can be a little too invasive  
And I just want to live

This is how it goes  
Watching it unfold (watching it unfold)  
Playing my own role  
Dum-dum-ditty-dum-dum-ditty, daddy don't  
Make me leave this home  
This is what you chose  
I can't let him go (runaway on 'em)  
Dum-dum-ditty-dum-dum-ditty, daddy don't

Tell me, is your father a good man?  
It's surprising how little, he seems to understand  
His daughter was my savior  
Sure, she can be a little indecisive  
But I don't have to make her choose 'cause

This is how it goes  
Watching it unfold (watching it unfold)

Playing my own role (runaway on 'em)

Dum-dum-ditty-dum-dum-ditty, daddy don't

Make me leave this home

This is what you chose (this is what you chose)

I can't let him go (runaway on 'em)

Dum-dum-ditty-dum-dum-ditty, daddy don't
