"...Ready For It?"

Knew he was a killer first time that I saw him
Wonder how many girls he had loved and left haunted
But if he's a ghost, then I can be a phantom
Holdin' him for ransom

Some, some boys are tryin' too hard
He don't try at all, though
Younger than my exes but he act like such a man, so
I see nothing better, I keep him forever
Like a vendetta-ta

I-I-I see how this is gon' go
Touch me and you'll never be alone
I-Island breeze and lights down low
No one has to know

In the middle of the night, in my dreams
You should see the things we do, baby (mmm)

In the middle of the night, in my dreams

I know I'm gonna be with you

So I'll take my time

Are you ready for it?

Knew I was a robber first time that he saw me
Stealing hearts and running off and never saying sorry

But if I'm a thief, then he can join the heist

And we'll move to an island, and

And he can be my jailer, Burton to this Taylor

Every lover known in comparison is a failure

I forget their names now, I'm so very tame now

Never be the same now, now

I-I-I see how this is gon' go (go)

Touch me and you'll never be alone

I-Island breeze and lights down low (low)

No one has to know

(No one has to know)

In the middle of the night, in my dreams (eh)
You should see the things we do (we do), baby
In the middle of the night, in my dreams (my dreams)

I know I'm gonna be with you

So I'll take my time

Are you ready for it?

Oh, are you ready for it?

Baby, let the games begin

Let the games begin

Let the games begin (now)

Baby, let the games begin

Let the games begin

Let the games begin

I-I-I see how this is gon' go

Touch me and you'll never be alone

I-Island breeze and lights down low

No one has to know

In the middle of the night, in my dreams (my dreams)
You should see the things we do (we do), baby (baby, mmm, eh)
In the middle of the night, in my dreams (my dreams)

I know I'm gonna be with you

So I take my time (eh)

In the middle of the night

Baby, let the games begin

Let the games begin

Let the games begin

Are you ready for it?

Baby, let the games begin

Let the games begin

Let the games begin

Are you ready for it?
