## "Sugar, We're Goin Down"

Am I more than you bargained for yet?

I've been dying to tell you

Anything you wanna hear

'Cause that's just who I am this week

Lie in the grass next to the mausoleum

I'm just a notch in your bedpost, but you're just a line in a song

(Notch in your bedpost, but you're just a line in a song)

Drop a heart

And break a name

We're always sleeping in, and sleeping

For the wrong team

We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it  
We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it

Is this more than you bargained for yet?

Oh, don't mind me, I'm watching

You two from the closet

Wishing to be the friction in your jeans

Isn't it messed up how I'm just dying to be him?

I'm just a notch in your bedpost, but you're just a line in a song

(Notch in your bedpost, but you're just a line in a song)

Drop a heart

And break a name

We're always sleeping in, and sleeping

For the wrong team

We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it  
We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it

Down, down in an earlier round  
And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it  
We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it

We're going down, down (down, down)

Down, down (down, down)

We're going down, down (down, down)

A loaded god complex, cock it and pull it

We're going down, down in an earlier round

And sugar, we're going down swinging  
I'll be your number one with a bullet  
A loaded god complex, cock it and pull it
