### "Thank God I Do"

I've seen love come and I've seen love walk away

So many questions, will anybody stay?

It's been a hard year, so many nights in tears

All of the darkness, tryin' to fight my fears

Alone

So long alone

I don't know who I'd be if I didn't know You

I'd probably fall off the edge

I don't know where I'd go if You ever let go

So keep me held in Your hands

I've started breathing, the weight is lifted here

With you it's easy, my head is finally clear

There's nothin' missing when You are by my side

I took the long road, but now I realize

I'm home

With You, I'm home

I don't know who I'd be if I didn't know You

I'd probably fall off the edge

I don't know where I'd go if You ever let go

So keep me held in Your hands

I don't know who I'd be if I didn't know You

I'd probably fall off the edge

I don't know where I'd go if You ever let go

So keep me held in Your hands

You're my safe place, my hideaway

You're my anchor, my saving grace

You're my constant, my steadiness

You're my shelter, my oxygen

I don't know who I'd be if I didn't know You

Thank God I do

I don't know who I'd be if I didn't know You

I'd probably fall off the edge

I don't know where I'd go if You ever let go

So keep me held in Your hands

I don't know who I'd be if I didn't know You

Thank God I do
