"Total Eclipse Of The Heart"

Turn around

Every now and then I get a little bit lonely

And you're never coming round

Turn around

Every now and then I get a little bit tired

Of listening to the sound of my tears

Turn around

Every now and then I get a little bit nervous

That the best of all the years have gone by

Every now and then I get a little bit terrified

And then I see the look in your eyes

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time (all of the time)

I don't know what to do, I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was falling in love

Now I'm only falling apart

There's nothing I can do

Total eclipse of the heart

Once upon a time there was light in my life

Now there's only love in the dark

Nothing I can say

Total eclipse of the heart

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you only hold me tight

We'll be holding on forever

And we'll only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time (all of the time)

I don't know what to do, I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

(Forever's gonna start tonight)

Once upon a time I was falling in love

Now I'm only falling apart

There's nothing I can do

A total eclipse of the heart

A total eclipse of the heart

A total eclipse of the heart

Turn around, bright eyes
